

About me

Hello! My name is Kylie White. I am a designer, miniaturist, content creator and digital growth strategist from the Philadelphia area. I create to inspire. Through my work, I hope to encourage others to get creative and add a little life to their white space!

WHAT CAN I DO FOR YOU?

When I'm not creating, I work full time as a digital marketing growth strategist and social media manager. I have a passion for learning and helping brands expand their online presence via beautifully crafted content that resonates with their audience. My UGC video ads have generated over a 5x return on ad spend for several D2C brands. As a creator and a consumer, I understand what drives users to click, engage, and purchase.

Need social content? Shoot me an email at kyliewhitespace@gmail.com!
